Dear

We are writing to ask for your assistance. Several customers have recently informed us that checks which had been issued to our Company have been altered, fraudulently presented and cashed by the perpetrators, who remain at large. As these customers are located in different cities, it is likely that the theft is occurring while the checks are in USPS custody in the Fort Lauderdale area. The USPS inspectors' office and other federal, state and local law enforcement agencies have been notified and several investigations are currently active.

To avoid further fraud, we are asking that our customers convert their payments to either ACH or wire transfer. To securely obtain the information necessary to change payment method, please contact our Credit Manager, Lulu Chrzaszcz, at LChrzaszcz@barkersbowtique.com or 954-951-2275 x304. If you get an email with our bank information, we encourage you to call Lulu to confirm our bank account number to prevent spoofing (someone intercepts our email and replaces the bank information with their own).

If you receive an email from Lulu after you have sent payment, please review your bank account to see if the check has cleared. If it has, contact your bank to obtain a copy of the front and back of the check. Any checks that have been legitimately cashed by our Company will display the payee as issued and endorsement information on the back. If your check has been cashed fraudulently, please contact Lulu immediately to discuss steps that need to be taken by you with your bank and with the appropriate agencies. If it has not cleared, Lulu can confirm whether it is in our possession. If it is not in our possession and you would like to stop payment, please deduct any associated stop payment fee from the replacement ACH or wire transfer.

We are sorry for any inconvenience this fraud has caused.

Sincerely,

Leann Hillier
